

Would You Make an Investment That Will Last 2,000 Years?

“And there came a certain poor widow, and she threw in two mites, which make a farthing.”

The gift recorded in Mark 13:42 is still paying dividends in God’s kingdom after 2,000 years. Christians today are inspired to give sacrificially just as this woman did. In heaven, this widow is enjoying the rewards of this expression of her devotion to God.

We have the opportunity today to give a gift that will still reap rewards for God’s kingdom a thousand years in the future if God delays the return of our Lord. Invested wisely, a gift of \$7,700 to AMG’s Eternity Endowment Fund will earn sufficient income to feed, clothe, educate, and give spiritual training to a child. The \$7,000 original investment will remain untouched to earn income for another child’s care after the first child has become an adult.

Fund an Endowment Now or Later

How can you provide for a child?

1. Send a \$7,000 check and designate it for the “Eternity Endowment Fund”.
2. Make a provision in your Will or Trust for a \$7,000 legacy to be paid to the endowment.

Provide For a Child You Already Sponsor

Many donors have already accepted the financial responsibility to provide for the needs of a child. Each month they honor God by giving \$32 to AMG International. An endowment of \$7,000 invested in the name of the child can relieve a donor of future monthly payments.

Do It Now!

God has promised you forgiveness for your sins, but He has not promised you tomorrows for your procrastinations. The number one reason many good things are not accomplished is that we just don’t get around to it. So, if God has led you to share with a child, do it now.
